Dear Mr. Kiel:

We have received and reviewed the report from the "On-Site Review" visiting committee which visited your school. As you know, the Commission considers the recommendations made by the visiting committee to be important and the school's responses to those recommendations as necessary. We are reaffirming your term of accreditation with the condition that a review team visit your school in the Spring of 2001 in order to assess progress in addressing the critical areas for follow-up.

I want to express my appreciation on behalf of the Commission for your efforts to provide quality education for the youngsters of this state.

Sincerely,
