

1 extreme heat in her classroom. If the school just put in landscaping or an awning, that would help  
2 alleviate the heat. Air conditioning would be better, but even having landscaping or an awning  
3 would help.

4 9. I have spoken to the teachers at Castlemont about the heat, but they didn't offer any  
5 rays of hope. The fact that they had no hope for changing the heat problem in the classrooms  
6 discouraged me from talking to anyone in the school administration about the heat problem

7 10. The bathrooms at the school could be cleaner. Rachel tells me there is often no toilet  
8 paper in the bathroom. Another little girl's mom told me her daughter won't use the bathroom at  
9 the school because it is so dirty.
