DECLARATION OF RACHEL SCHAUER

I, RACHEL SCHAUER, hereby declare:

1. I am seven and a half years old, and I just finished first grade at Castlemont Elementary School in the Campbell Union ~~Unified~~ School District.

2. I make this declaration based on my own personal knowledge, and if called to testify I could and would do so competently as follows:

3. My classroom this year was hot. The animals in the class didn't like it. We had silkworms and caterpillars, and they would try to get into the leaves because it was so hot. Kids' faces got hot, too. I felt really hot in class, and I didn't like it.

4. It was so hot in my classroom that I would feel like I want to go home because my house has air conditioning. But we couldn't go home, so sometimes we would turn off the lights and read.

5. I like school and I like that we do lots of art at school. I just don't like it when it's so hot.

6. Our bathrooms at school don't have any toilet paper.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed on July 31, 2000 at San Jose, California.
