**DECLARATION OF KAREN POR'CHET**

I, KAREN POR'CHET, hereby declare:

1. I am the mother of Olivia Saunders, who is a plaintiff in this action.

2. I make this declaration based on my own personal knowledge, and if called to testify

I could and would do so competently as follows:

3. Two of my children attend Luther Burbank Middle School. Olivia is in seventh grade, and Orlando is graduating from eighth grade this May.

4. I have visited the school and have seen the conditions. The school could definitely be kept cleaner. My major complaint is that the bathrooms should be cleaner. There is a lot of garbage and other stuff all over the floor.

5. I also wish they would please keep some heat in the school. My son Orlando suffers chronic asthma, and a couple of times he has told me he was so cold he had to keep his coat on. The school shouldn't be like that. I worry about both my children's health there.

6. Olivia has told me she has seen mice at school.

7. I want my children to have a better life than I do, and I don't see how that school is preparing them to have that better life.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed on April \_\_, 2000 at Sunnydale, California.
