

1 Other times the classroom is darker than the hallway. In one classroom where English is often
2 taught, the lighting is so bad that kids can't even read. It is very difficult to concentrate on learning
3 when it is too dark to read. The hallway to the band room is not very good at all. It is hard to see
4 and very narrow.

5 I declare under penalty of perjury under the laws of the State of California and the United
6 States that the foregoing is true and correct. Executed on August 5, 2000 in Visalia, California.
