DECLARATION OF BIANCA ARRIOLA

I, Bianca Arriola, hereby declare:

1. I am one of the plaintiffs in this action. I make this declaration based upon my own personal knowledge and, if called as a witness, I could and would testify competently thereto.

2. I am six years old, and I am in the first grade at Bryant Elementary School.

3. It gets very hot in class a lot and the air conditioning doesn't work. When it gets really hot, I become very sleepy and I want to stretch.

4. Sometimes the food at school looks bad and I don't eat it. Sometimes the milk is warm and it smells funny.

5. I don't like to use the bathrooms at school because the doors do not lock and I am afraid that someone will walk in on me. Additionally, the bathrooms are dirty.

6. My teacher cannot play music in class because the noise would bother the other classes. I would really like to have some music or other activities in class.

I declare under penalty of perjury of the laws of the State of California that the foregoing is true and correct. Executed by me this 12 day of May, 2000 at San Francisco, California.
