Mr. Robert Duran

Fremont High School  
4610 Foothill Boulevard

Dear Mr. Duran:

The Western Association of Schools and Colleges announces the action taken by the Accrediting Commission for Schools wherein Fremont High School was granted a three-year term of accreditation, expiring on June 30, 1998.

This action was taken after a careful study of the Visiting Committee Report which commended many aspects of your school. The Commission is confident, however, that your continuing efforts to improve the school will be reinforced by prompt attention to the recommendations.

The Commission looks forward to noting progress made in these areas as you complete your progress report as part of your new full self-study and full on-site visit during the third year.

An appropriate certificate of accreditation will be forwarded to you in the near future.

Very truly yours,

Thomas H. Robinson  
Commission Chair
