Dear Mrs. Morley:

The Western Association of Schools and Colleges announces the action taken by the Accrediting Commission for Schools granting John C. Fremont High School a three year term of accreditation, expiring on June 30, 2000.

This action was taken after a careful study of the Visiting Committee Report which noted the strengths and growth needs of the school. The Commission is confident that your continuing efforts to improve the school will be reinforced by vigorously addressing the critical areas for improvement and growth indicated in the report.

The Commission looks forward to your report of progress made in these areas as part of your new full self study and full on site visit during the third year.

An appropriate certificate of accreditation will be forwarded to you in the near future.

Very truly yours,

David F. Rittman
Commission Chair
