Dear Mr. Navarro:

We have received and reviewed the report from the "On-Site Review" visiting committee which visited your school. I am pleased to report to you that the report indicated that your school has given appropriate attention to the major recommendations made by the previous visiting committee and your accreditation is now reaffirmed through the end of the six year term ending in June 2002.

I want to express my appreciation on behalf of the Commission for your efforts and congratulate you for continuing to provide quality education for the youngsters of this state.

Sincerely,
